

God, I pray for our school administrators. Please give them wisdom for their daily decisions and help them to remember that which is truly important. Place on their minds a peace and understanding that You are in control and help them to seek Your will in all situations.

*Proverbs 1:7, Proverbs 19:21, James 1:5*

Father, thank you for the members of the Board of Education. I pray that as they make decisions that affect our teachers, community, and students, they will seek You first. Let every decision be made with You in mind and let school leaders not become corrupt with power. Please equip them with wisdom, discernment, and the ability to know what is right for students and school employees. Please guide every decision and meeting.

*Titus 2:7*

Heavenly Father, I pray that You will protect the schools in our city. Please give the administrators wisdom as they seek to make the campus a safe environment that promotes learning. Please protect the schools from illness, keep children, teachers, aids, and administrators healthy and free from illness. Please protect the schools from harm, guard the lives of all who enter the doors so that they may learn and grow.

*Psalm 91*

Lord, I ask that You give wisdom to school administrators as they meet requirements, face deadlines, and impact the lives of the next generation. Let them be men and women who seek the counsel of Scripture when they must discipline a student. Please give them the heart of a servant and allow their actions to exemplify integrity and honor. Empower them to lead teachers and students in an environment of learning.

*Proverbs 23:13*
